Dbl-K Mile Highness (Miley) has a stellar pedigree with a ton of horn potential. She's a brindle tri-color with more color developing every day. Her dam is one of the very best females we've ever raised; having a nice frame, excellent production, and over 90" of beautiful rolling horn. Miley's sire, 97" Wheels Up, is the successful mix of Cowboy Tuff Chex over Drag Iron. Miley is parent verified, BVD-PI negative, and color coat tested E+e
