BUX JUNGLE HEART is a promising young female that offers a solid foundation for any breeding program. Her dam, ECR BEAUTIFUL HEART, is neatly exceeding 100" T2T at just six years old. Notably, her lineage includes Hunts Command Respect and the full sister to Hunts Command Respect, making this pedigree unique and unrepeatable. Hunts Command Respect has produced influential cattle such as Top Caliber and WF Commando,

**TTT:** 25.2500 on 02/04/2025
