FRED BRYANT

August 24, 1948 - November 29, 2020

On Sunday, November 29, 2020, the first day of advent, Fred Bryant (72) experienced firsthand the promise we have of eternal life with Jesus. Fred was preceded in death by his parents and two brothers, Jonjo and Bill.

He was born August 24, 1948 in Cairo, Illinois the son of W.C. and Lucy Bryant of East Prairie, Missouri. He served in the U.S. Army in Korea 1969 –1970 and earned a degree in marketing and finance from Southwest Missouri State University.

Fred worked in the animal nutrition industry for 31 years and in 2005 he and his wife, Cheryl, returned to Southwest Missouri and bought a farm to raise cattle. He loved his farm community and visiting neighbors with his canine sidekick, Millie. He loved his church family, his cows, fishing, gardening and the great outdoors, but his greatest love was for Jesus and his family. His greatest joy was to have family and friends around, with lots of activity and good food. There was always bantering and laughter with Fred around. His joy for life was contagious and he will be dearly missed by all who knew him.

Fred is survived by his wife of 48 years, Cheryl (Dale), a son, Patrick Bryant of Joplin, Missouri, two daughters; Ky Englund and her husband Tim of Springfield, Missouri, Libby Tyner and her husband Eddie of Cincinnati, Ohio; one brother, Mike Bryant and his wife Jane, seven grandchildren; Katie, Shelby, Blythe, Brad, Silas, Remy, and Lela; nieces, nephews, and friends to numerous to count.

LIFETIME MEMBER TLMA, TLBAA, ITLA & MILLENNIUM FUTURITY PARTNER

Our family is very excited about becoming part of the Longhorn community and developing new relationships. Our name M7 Longhorns derived from Wayne and I and our 5 wonderful children Allie(Stephan), Ryan(Maggie), Erin, Danny and Patrick. We are learning fast about genetics and acquiring some of the finest heifers in the industry in hopes of building our own brand. Our goal is to breed for the total package Longhorn, color, confirmation, and of course horn. We are overwhelmed with the welcoming we've received from the Longhorn fraternity and the truly great people that make it what it is.

Excited to be a part of this great breed.

DOB: 3/30/19 **PH#:** 2/19 **REG:** CI320318

BREEDING: Exposed to CC Big News from 6/27/21 to sale date.

COMMENTS: Hicks Sparkles is out of an over 80" TTT heavy twist PCC Poco Bomber and her sire is the over 90" TTT Patton HB. I am not sure what is more beautiful, her paint job or the perfect blend of consistent producing genetics in her pedigree. To top it off she is bred to PCC Big News which is an amazing new grulla partnership bull with Scott Pace. Big News also has an awesome paint job and brings a pedigree that I believe is the perfect match for Hicks Sparkles. Check out both their pedigrees and see for yourself how perfect they are for each other at michiganmafialonghorns.com/Hicks

This brindle bull is sired by Cowboy Catchit and out of the 90"TTT KCCI Rio Fancy who's out of the 90"TTT Outback Fancy. The first three females in Chromed's pedigree are all over 90"TTT. DOB: 5/20/19

PH#: 29

REG: 282411

BREEDING: Confirmed bred with blood test 31 days post breeding by AI conception May 15, 2021 of Tejas Star conventional semen. Due date February 23, 2022.

COMMENTS: This is our first consignment of an animal we have bred and raised. We are tickled with this heifer and had a terrible time deciding whether to let her go or keep her. Her dam is not well known and comes from old school genetics. But this heifer's mother does out produce herself every time and has given us all heifers but two. We've sold all of her offspring and currently have a yearling heifer we are retaining for now. The sire is MC Mr Big Stuff, who is out of Brian and Mary Stahl's breeding program and her MC Awesome Grace cow that has produced so well for her. Stuffed with Sass measured 59.750 inches TTT at 26 months of age. We have her confirmed bred to Tejas Star for a February, 2022 calf. She is also John's negative. We think this is a special package and hope you will too! Be sure to check out our full page ad in the catalog.

BREEDING: She will be exposed to RCC Max Factor, a WS Vindicator son out of FL Rio Maxine from 6/15/21 to sale date.

COMMENTS: It hurts to let this big framed daughter of JP Rio Grande go. She has been an asset to our program. We have sold two of her sons as herd sires, and we are retaining a daughter back as her replacement. She measured 77.75" TTT Spring 2021. She is double bred JR Gram Slam and for pedigree connoisseurs, you know this is magical line breeding. On the dam side she goes back to Shalako Chex, a huge horned son of VJ Tommie that brought a lot to the table. We will have her bred back to RCC Max Factor, a WX Vindicator son out of FL Rio Maxine.
