Thank You Consigners!

Matthew Jones MEMORIAL SCHOLARSHIP FUND

Matt passed away on July 24, 2024 after a long illness. He loved the Dallas Cowboys, KU basketball, animals, people, and art! In high school and college, he received numerous recognitions and awards for his art. After high school, he obtained a chemistry degree from Newman University, and furthered his education and love of art, by obtaining a graphic design degree from Wichita State University. Matt was contagiously happy, loving, caring, and brilliant in his walk through life.

He was the official photographer for Flinthills Longhorns, designed ads, and loved his Longhorn steer, "Tex"! He had a keen eye for color, design, photos, and architecture. His footprint is on many of the details and finishing touches at our barn, Flinthills Elite Auction.

In preserving Matt's legacy, we have established an endowment scholarship in his name, for an El Dorado high school senior pursuing a degree in art. To this day, Matt still has a water color piece hanging in the high school office and a self portrait that is part of the permanent collection at Coutts Museum of Art in El Dorado, KS. Thank you to all who will be bidding on the donation lot at the start of the 2024 B&C Show Me Longhorn Fall sale and JB Ranch for donating the beautiful heifer. This scholarship is the perfect way to honor Matt and keep his memory and love of art alive!

AA COWBOYS GRAND TIME

Over the last 25 years we have enjoyed raising this beautiful breed of cattle. It has been an enjoyable time with not only the cows but making friends all over the country. Due to getting older we have been selling down for the past few years and after looking at the number of cows left we have decided to offer the rest at auction so we can have an easier winter.

By no means are these girls less for not having been sold! It was thought we would continue with a small but quality herd. These foundation females were going to be the future of Arch Acres.

Thank you to our customers both past and present.
