# Welcome

Fellow Longhorn Friends and Family,

We want to be the first to welcome you to the 2024 G&G Fall Classic. The journey to this sale began many years ago and we are thrilled to carry on the legacy of those before us and set a foundation for those to come. The growth and excitement is at an all-time high!

We are amazed to see the growth of the East Coast Market over the past few years. From great relationships with new breeders formed, and more importantly, the mentorship we have seen others take on to help breeders find success!

There is no greater testament to the support of each and every one of you than looking at the quality in this year's sale. Cattle from all over the country will be up for grabs soon in Culpeper, Virginia. We sincerely thank each and every sponsor, consignor, and participant in this year's G&G Fall Classic.

On top of the quality of consignments, we will also have a full barn of exceptional futurity animals competing for prize money, custom buckles, and most importantly, bragging rights. With a panel of 5 judges this year, larger payouts, and some of the best cattle showing in the country, it is going to be an amazing time.

Friday night, don't forget to mark the Awards banquet, dinner, and presale party down to attend. The party will once again be held at G&G Headquarters overlooking the beautiful mountains. If you have been here before, we sincerely thank you for your continued support of this amazing breed. If this is your first time, we want to say "WELCOME" and hope you have an amazing time! Please do not hesitate to reach out if there is anything we can do to help your experience be more enjoyable.

Again, welcome to Culpeper for the 2024 G&G Fall Classic. Let's have some FUN!!

Sincerely,

*Ann Chase and Shawn*

**DAM:** Texa Jiza Fusion (Rio Wichita Texa x Jiza 323/3)

**BREEDING:** Implanted embryo on 2/23/2024.

**COMMENTS:** Ok here we go. This is about as good as it gets! The sire of the embryo is none other than the 106" TTT WT Kid Rock and the over 96" TTT Texa Jiza Fusion is the dam. Study this mating, it's an all-star line up on the top and bottom of this pedigree. The recip is a really nice YR Roscoe heifer out of a Delta Lucky Ace daughter. This is an awesome package, help yourself. View more information at [www.SunhavenLonghorns.com](http://www.SunhavenLonghorns.com).

**DAM:** 3P IMA Lucky Catch (JP Rio Grande x BL Catchit)

**BREEDING:** Exposed to Game Changer 044 from 7/18/2023 to 11/11/2023.

**COMMENTS:** Where do we want to go here, funny? You'll wear the tires off a new truck trying to find one as good as her. What about serious? Seriously, this heifer is so well put together in every facet. She's got color, she's got pedigree, she's got horn set, she's got production. She's sired by a Fifty-Fifty BCB son who's out of a Jimmy Jones bred female line and out of a full sister to JP Rio Catchit, the female magic behind Cowboy Tuff Chex and Cowboy Catchit Chex. This year Sadie measured over 77" TTT just after her 4th birthday. She's bred to Game Changer 004, our M.C. Hangin' Tuff son who measured 87" TTT just after his 3rd birthday with over 9" broken off. We're retaining her 53" TTT 18-month-old heifer, who should be in the mid 60" TTT at 24 months old. If you're looking for a cow to amp up your program and an easy keeper that produces, then you found her.

We're retaining two daughters in our herd, LTL Sheena, sired by HL Double Barrel and a nice brindle and white 2023 heifer, sired by Tuff It Out. **SIRE:** Hello Darlin' (Reckon So x BL Rio Darlin 823)

**DAM:** Happy Dance BCB (Fifty-Fifty BCB x RCR Sebastians Racie)

**BREEDING:** Not Exposed.

**COMMENTS:** This solid heifer is sired by our big and gentle bull, Hello Darlin'. His dam, BL Rio Darlin, measured in at 91"TTT and he has a full sister that measures 96" TTT at 5 years old. Happy Darlin' BCB is out of a beautiful Fifty-Fifty BCB daughter called Happy Dance BCB, who at 5 years old, measures 84"TTT with 6+ inches broke off. Plus her maternal granddam, RCR Sebastians Racie, measures 93.5" TTT. Not only is there a lot of horn length in her pedigree, but there's a lot of good body structure to back her up as well. This 6-year-old is over 92.5" TTT, with a gorgeous speckled up heifer calf at side, sired by a Rebel HR son (producer of record setting \$700k daughter) and out of a huge-horned LLL Lucky daughter, whose semen is selling for \$1,000/straw. ## SILVER PRETTY WOMAN

**DAM:** T Bar W Pretty Woman (T Bar W Boomshot Buck x T Bar W Sittin Pretty)

**BREEDING:** Exposed to Hubbells Butch Cassidy from 5/15/2024 to sale date.

**COMMENTS:** This gal has one of the coolest horn sets you could ask for. As they grow they continue to twist out and over and she's well in the mid 80" TTT with total horn that has got to be pushing 100". Her sire, CV Call of Duty, is a 4x HSC Champion out of the great FL Rio Maxine cow that sold for \$25k at the Legacy Sale. Her dam is a beautiful blonde and white cow that also twisted back. Her last two calves were bulls and I know if we put her in a sale that the chances of her having a heifer always seem to go high. She has absolutely no flaws, is an excellent milker and raises big calves. The icing on the cake is she's running with Hubbells Butch Cassidy, who measures 87" TTT and brings in all the 90" TTT Van Horne ladies. This cow will deliver you a strikingly beautiful calf.

Measuring 76" TTT as a 4-year-old, Slipper is a mini-me to her 92.5" TTT granddam, M Arrow Calendar Girl, with twisty lateral horn to match. Her first calf was a colorful bull calf with similar twisty horns that we're retaining as a front pasture steer. She has been exposed to both the black and white PCC Game Changer, as well as the 90" TTT RRR Vindicator's Edge. Her measurements and breeding status to be updated at sale. She has bred like clockwork since she was 16 months old and has raised a great calf each year. She has a colorful HH Game Over bull calf at side and is exposed back to him for a 2025 calf. HH Game Over is a WS Vindicator son out of M Arrow Calendar Girl, who was in the mid 90" TTT. He's producing tall, long, deep-bodied calves with all kinds of wild color. **DAM:** Hubbells Double It (Cowboy Catchit Chex x BL Latchit)

**BREEDING:** Heifer calf at side, sired by BCR Diego. Exposed back to GLR Blue Moon.

**COMMENTS:** LBR Betty White is that magical cross of Hubbells 20 Gauge on top of a Cowboy Catchit Chex daughter that has worked time and time again for Mark Hubbell. Betty White is showing some great twist coming on and she has been a fantastic mother to her heifer calf sired by Diego BCR, who brings in the over 90" TTT Trued Up BCR and the famous ECR Reign of Castille. To top it all off, she's exposed back to GLR Blue Moon, who's been knocking it out of th park! Can you imagine the color of that calf?

**SIRE:** Sunhaven Smoking Hot (RZ Walkin Tall x RC Smoking Hot Amber)

**DAM:** DH Cowgirl Dotty (Eight Seconds Chex x SDR Rios Dotty 2)

**BREEDING:** To be announced at the sale.

**COMMENTS:** This is a nice red heifer with black brindle stripes popping through her hide. She's easy to work and gentle, plus she has 80"+ TTT all in her pedigree. She's exposed to our junior herd sire, who's a BR Cracker Jack son out of a Delta Lucky Ace daughter, adding more 80"+ TTT to the mix.

15

## G3 KILLER QUEEN

G3 RANCH, JOSH & BRITTANY GENTRY

**DOB:** 9/15/2022

**PH#:** 102

**REG:** C1343603

**SIRE:** G3 Zane (Voodoo Cowboy x Betty Zane)

**DAM:** G3 Rodeo Queen (RC Pacific Pirate x LVR Rodeo Whirl Sophie)

**BREEDING:** Exposed to Jammin Rex from 5/15/2024 to 7/1/2024.

**COMMENTS:** Pictures don't do this girl justice with her unique color. This female is a total package and her pedigree is one built off of body, horn and color. Her granddam, Betty Zane, is 97" TTT with a beautiful, low twist and over 1300 lbs. Her other granddam, RC Pacific Mermaid, is very well known for her beautiful offspring. Her great granddam, RM Touch N Whirl Pat, is also over 90" TTT with beautiful twist. Her maternal line is some of the most colorful animals you can breed for. She carries the wild gene, so she will throw it too. Now add in TTT Jammin' Jenny, who is almost 100" TTT, to her calf's bloodline and you're working with some powerful genetics. If you like body, color and horn with some twist, this girl is one to look at. On top of all that, she's a very easy keeper, which is just the cherry on top.
