COMMENTS: To show our love and support of the Bentz family, we brought a fan favorite from our very small, very select, Trophy Steer Herd! Bugs Bunny is a show stopper wherever he goes, with his commanding presence and beautiful brindle stripes! He even placed top 5 in his class at the Longhorn World Show this past June! Everyone that comes to see our Longhorn herd is impressed with him when we get to the Trophy Steer pasture! Measuring 90" TTT shortly after his 4th birthday, he'll be added to the 100" TTT Club in no time! Our relationship with the Bentz family began not long before their journey began with their son, Ian, and they have been on our hearts and minds since. We couldn't think of a better way to show our love for them than with the Longhorn breed that was responsible for bringing us together in the first place! We hope that you will join us in supporting this family that is so dear to us!

Better than a night out on the town ...

COMMENTS: We wanted to bring our best to our very first sale! This girl has some of the best in the breed within her pedigree, her dam being 86" TTT and the 88" TTT Rebel HR, or the great 90" TTT Setting Sun PC422 and on the bottom side, the late, great 94.5" TTT TCC Winning Honor and EOT Outback Fascination! This fancy girl is an outcross to most programs, with a beautiful build and conformation, I think this girl is a perfect fit for your futurity line up! We still own her dam and sister! Don't miss out on adding this girl to your herd!

DOB: 9/18/2023 PH#: 183 REG: CI345828

BREEDING INFORMATION: Not Exposed.

COMMENTS: Make sure you take a look at this heifer's pedigree. She's built for greatness and twist. Her dam is over 90" TTT and has a gorgeous set of horns with twist. She also carries a double wild gene, so the wild gene has been passed on to this heifer. The dam is a great milker and a very easy keeper and this heifer seems to be following nicely in her dam's footsteps. Her granddam is none other than Betty Zane, who's over 97" TTT and an all around perfect cow. She's 14 years old and still has a perfect udder and is around 1300 pounds. Betty Zane also passes on her great body size and disposition to her offspring. This heifer has some big shoes to fill and we think she'll do it. Don't let this girl get past you, because as she matures, she'll be one a herd can be built on.

Her dam is one of my favorite cows I've own, she's so calm and easy going, breeds back in 4 to 5 weeks, has calved every year, milks like crazy, and raises nice calves.
