YOUR HOSTS

LOOMIS LONGHORNS

Pam & Bob Loomis

Loomis Ranch is located in Marietta, Oklahoma. Pam and Bob Loomis have been legends in the Texas Longhorn industry because of the record-breaking animals in their herd including BL Rio Catchit, the first 90" TTT cow, and Cowboy Tuff Chex, the Guinness Book of World Records longest horned bull. The Longhorn cattle are not a business for Pam and Bob, they are a big part of their enjoyment each and every day. They strive for the complete animal, breeding for conformation, horn, color, and disposition. Bob and Pam are also leaders in the horse industry. With multiple championship wins, Bob is in the NRHA Hall of Fame.

Rockin' H Longhorns was founded in 1988 and is located in Ardmore, Oklahoma. Over the years Dale and Jennifer have raised champions in the show ring, futurities, horn competitions and the sale ring!!!! Dale has been the pedigree reader for several sales over the past 21 years and he was the founder of the TLBAA Horn Showcase. Our goal is to raise the total package female and cross them with the very best bulls in the industry!! Come see us. We love showing guests our cattle !!!.

Jennifer & Dale Hunt

HOLY COW CON LONGHORNS

Mikeal & Brandi Beck

Holy Cow Longhorns Mikeal got into longhorns in 2008 when he sold out his commercial herd. He spends countless hours studying genetics, researching progenies, and working with the herd every day. In September 2022 Mikeal and Brandi sold the farm in Springtown, TX and made the move to Asher, OK. Now a full-time rancher Mikeal continues to work, day and night, to create the perfect environment for the longhorns they love. Together, they have a passion for the animals, the lifestyle, and the great friendships they have developed in the industry. They look forward to many more years of growing and improving their herd, participating in futurities and sales, and meeting new breeders and building great friendships along the way. They are always looking for opportunities to partner with others to continually improve the industry and truly feel it's an exciting time to be part of this great industry!

LAZYJ'S BOWHUNTER LAZYJ'S TWISTED SISTER LAZYJ'S JUST SILK

BREEDING: Confirmed bred to DB Magnificent for an early 2025 calf.

COMMENTS: OCV'd. DNA on file. Shady Lady has a pedigree stacked with producers including BR Jungle Jim, Vanilla Milkshake, 50 Shades Darker, Fifty-Fifty BCB, TTT Jammin' Jenny, and WS Jamakizm. Her maternal line is one that is slower maturing, giving her the ability to peak later and continue growing. She sports a nice lateral horn set with a backwards twist. Shady Lady is bred to DB Magnificent, a young bull that has been throwing lots of color and flash on his calves. Shady Lady checks lots of boxes starting with her awesome dun color and stacked pedigree, she is a female that can complement any program in the industry.

BREEDING: Heifer calf at side born 2/11/25 by Dunn Wildfire

COMMENTS: OCV'd. Sweet Pea is a beautiful young brindle female that will have her first calf by Dunn Wildfire before the sale. She is a lover that will follow you all around the pasture and will eat cubes from your hand. You can even scratch her head and back. Her horns have recently begun to tip over and she is bred to a bull with low swooping horns that is producing daughters that look just like his dam, the 107"+ Dunn Lucky Penny. This should be a great pairing and package for any breeding program!

DH Rowdy's Jam's full sister, DH Rowdy's Cowgirl, is the dam to the heifer, M7 Higher Rowdy girl, that Wayne and Joanna Manning won several futurities with then sold for \$40k at the Legacy. COMMENTS: OCV'd. Confirmed bred to Bank Roll BCR 055. Queen Expedite is a stout heifer with a lot of potential measuring 64 3/8" at 28 months. She's out of our almost 85" RR Expedite FiFi that never fails to give a great calf, paired with a bull that has given us outstanding growth on every heifer he's produced, RR Swag Patrol. COMMENTS: OCV'd. Tinkerbell is a standout in the pasture with her unique brindle pattern. She is sired by the 100 plus inch BR Jungle Jim, bringing in one of the best females in the breed, TTT Jammin' Jenny. Bottom side brings in the genetic minds of Bob Loomis and Brian and Mary Stahl. Tinkerbell has a horn set that is headed the perfect direction as she is rolling backwards to continue that ever so desired lateral twist. She comes bred to DB Magnificent, a young bull that should go into the 90's tip to tip and has been throwing lots of flash on his calves.
