## BETTY'S IMAGE

Rocky Meadow Longhorns, Ryan & Brandy Schmidt

**DOB:** 4/3/2016      **PH#:** 7/16      **REG:** C1333829

**SIRE:** Sittin Bull (Hunts Command Respect x Hashbrown)  
**DAM:** Betty Zane (Drag Iron x Super Zing)

**BREEDING:** Confirmed bred to WS Hydro via AI with heifer-sexed semen. Calf due on 6/27/2025.

**COMMENTS:** Even with the 8 inches of horn she broke off at a young age, we have nothing but great things to say about this cow. Betty is a spitting image of her dam, the great Betty Zane, owned by G3 Longhorns, who have built a large portion of their incredible program around. This girl breeds back right away and has taken every time we've AI'd her on the first try with sexed semen. She's only ever had heifer babies for us and we will be retaining her last two daughters as her replacements. Betty is a genetic and fertility asset to any program, if you do AI or are looking to start, don't miss out on this opportunity because most cows don't make it this easy!

**COMMENTS:** OCV'd. DNA has been pulled and both parents have been DNA Pverified. This girl is out of The Profit x (201) MM Miss Gunsmoke Safari. The Profit daughters do a great job raising their calves. MM Lady Profit On Safari worked really good with the 94" TTT at 3.5-year-old, KCCI Hangin' On 2U, so we bred her back the same way for a 2025 calf. This particular calf's granddams will be Horseshoe J Idolize and (201) MM Miss Gunsmoke Safari. We wanted to bring one of our best!

**COMMENTS:** Here's a beautiful solid parker cow that measured in her mid 70's TTT in January. She is a very large and correct framed cow. She has given us two really nice heifers that we are retaining. She also produced a bull calf that has turned into an incredible young bull that we regret selling. She has been exposed to Catchit on Fire (Cowboy Catchit Chex x Sunhaven Hooked Up 35). Catchit on Fire is a super calm, tall bull with tons of beautiful brindle. Should make for a pretty calf in late Summer or early Fall of 2025.
